

MSME IDEA HACKATHON 4.0

1. Title of proposed idea/innovation:

PROTECTOTE

2. Briefly explain newness/uniqueness of the innovation

Unmet Need:

- Combines two essential items (umbrella and tote bag) into one, eliminating the need to carry both separately.
- Addresses the hassle of managing multiple items, especially in changing weather conditions .
- Most umbrellas and bags serve only one purpose, requiring users to carry multiple items.
- Offers a practical solution for those who need both protection from the elements and a carrying option in one compact design.

Uniqueness :

- Features a user-friendly mechanism that allows the umbrella to collapse and transform into a stylish bag, enhancing practicality.
- Designed to be lightweight and easy to carry, making it suitable for everyday use without adding extra bulk.
- Includes additional pockets or compartments in bag mode for organized storage of personal items, enhancing usability.
- Made from high-quality, weather-resistant materials that ensure longevity and reliability, addressing common issues with traditional umbrellas.
- May include adjustable straps or handles that enhance comfort and usability in bag mode, catering to different carrying preferences.

Novelty :

- Represents a pioneering innovation by merging two commonly used items—a bag and an umbrella—into a single, multifunctional product.
- Incorporates advanced design features and mechanisms that allow for quick and intuitive transitions, showcasing innovative engineering.

3. Concept & Objective

Concept :

- Enhance Convenience
- Maximize Space Efficiency
- Guide band
- Innovative Transformation
- Durable Materials.
- Adaptable Features

Objectives :

- ▶ Merges the functions of an umbrella and a tote bag into a single product.
- ▶ Features a unique mechanism that allows for quick and easy switching between umbrella and bag modes.
- ▶ Includes additional compartments or pockets for organized storage of personal items in bag mode.
- ▶ Developed with input from target users to ensure practicality and ease of use.
- ▶ May include adjustable straps, ergonomic handles, or other features for enhanced comfort and usability.
- ▶ May include adjustable straps, ergonomic handles, or other features for enhanced comfort and usability.

4. Specify the potential areas of application in industry/market in brief.

User Survey:

Discussed about your solution with Target Customers - **Yes**

- How often do you use an umbrella? - **>Daily**
- How important is it for you to have multi-functional accessories (like an umbrella that can also be a bag)?

>Important

- Which features would you find most appealing in a product like the ProtecTote? - **> Lightweight and portable**
- The feedback have been implemented as features for their convenient

Opportunity :

- Consumers increasingly seek versatile accessories that simplify daily life, creating a strong market for multifunctional items like the ProtecTote.
- As more people move to urban areas, the need for compact, stylish, and practical accessories that cater to busy lifestyles increases.
- Positioning the **ProtecTote** as part of a broader lifestyle brand focused on convenience, style, and sustainability, creating opportunities for related product lines in the future.

Value Proportion :

- Dual Functionality
- Convenience and Portability
- Durability and Quality
- Stylish Appearance
- Eco-Friendly Alternative
- Customizability
- Eco-Friendly Alternative

5. **Briefly provide the market potential of idea/innovation.**

- The demand for multifunctional products is on the rise, with consumers increasingly valuing versatility and convenience in their daily accessories. This trend positions the ProtecTote to capture a significant share of the accessory market.
- With heightened awareness of environmental issues, there is a substantial market for eco-friendly products. The ProtecTote, made from sustainable materials, can attract environmentally conscious consumers, enhancing its appeal.
- As urban living increases, so does the need for compact and efficient products. The ProtecTote caters to urban dwellers who require stylish and practical solutions for their fast-paced lifestyles..
- Seasonal variations in weather present opportunities for targeted marketing campaigns, particularly during rainy or sunny seasons, enhancing sales potential.
